Acharya Vihar, Bhubaneswar, Odisha - 751013

eirc.rcc2026@icmai.in

Behind Every Successful Business Decision, there is always a CMA

WELCOME MESSAGE

Sir/Madam,

Greetings from the Institute of Cost Accountants of India – EIRC & Bhubaneswar Chapter!

VIKASPATH symbolizes a progressive journey rather than a destination. It represents the transformation: **From Cost to Value, Value to Growth and Growth to Nation Building.**

The concept captures the evolving contribution of CMAs as professionals who connect **numbers with value creating decisions, decisions with performance, performance with growth, and growth with national development.**

VIKASPATH therefore represents not merely the journey of the profession, but the collective pathway through which **professional excellence can translate into economic and national progress.**

At present India is at a transformative stage of economic development, driven by **innovation, infrastructure, investment, technology, entrepreneurship and efficient utilization of resources.** As the nation aspires to achieve sustained, inclusive and globally competitive growth, organizations across sectors are required not merely to reduce costs, but to **create greater value from every unit of resource deployed.** Cost is no longer merely an accounting number or an expense to be controlled. It is a **strategic lever for competitiveness and value creation.** This represents the fundamental transition from **Cost to Value.**

In this evolving business environment, the role of **Cost and Management Accountants (CMAs)** is undergoing a significant transformation. The profession is moving beyond the traditional boundaries of cost measurement, cost control and financial reporting towards **strategic performance management, business partnering, resource optimisation and value creation.** When organizations improve productivity, optimize resources, innovate their processes, strengthen competitiveness and make better investment decisions, the benefits extend beyond individual enterprises. They contribute to industrial expansion, employment generation, investment, productivity enhancement and global competitiveness.

Cost Management → Value Creation → Organisational Growth → Economic Growth → Nation Building

This is the essence of **VIKASPATH – विकासपथ**, the pathway of development.

The theme **"Cost to Value: CMAs Powering India's Growth"** encapsulates the changing identity, expanding relevance and future potential of the CMA profession.

VIKASPATH is the journey → CMAs are the enablers → Value is the destination→ India's sustainable growth and Viksit Bharat is the larger purpose.

With this backdrop in mind, the 3-Day 46th Cost Conference (2026-27) on the theme **VIKASPATH | विकासपथ:** ***Cost to Value: CMAs Powering India's Growth*** to be held during 11th December, 2026 (Fri) to 13th December, 2026 (Sun) at the **Auditorium of CSIR–Institute of Minerals & Materials Technology (IMMT), RRL Campus, Sachivalaya Marg, Doordarshan Colony, Acharya Vihar, Bhubaneswar, Odisha - 751013** covering the relevant sub-themes, though well-planned technical sessions:

- **Technical Session -I: CONTRACT & CAPEX: From Cost to Value-Strategic Contract & Capex Management**
- **Technical Session-II: SUSTAINABILITY & INNOVATION: Sustainable Cost Management & Value Creation: Driving Innovation, Technology, Resource Efficiency & Governance**
- **CMA Leaders Meet (CMAs shaping Business Value and India's Growth)**
- **Technical Session-III: TAX & VALUE: Tax to Value: Driving Business Value through Strategic Direct & Indirect Tax**
- **Technical Session-IV: AI ENABLED DECISIONS: From Cost Intelligence to Decision Excellence: AI Advantages**

Besides above technical sessions, an CMA Leaders Meet & Advisory Meet have also been scheduled to put light on the path of development of CMA Profession. We are confident that, the chosen theme offers valuable insights for executives, professionals, students and academicians engaged in Finance, Taxation, Cost, Management, Budgeting, Operations, Procurement, Contracts and Strategic Planning.

Cost Management → Value Creation → Organisational Growth → Economic Growth → Viksit Bharat.
